

**INSTRUCTIONS FOR THE CONTINUUM SELF-ASSESSMENT PRETEST**

To earn American Board of Psychiatry and Neurology (ABPN) Maintenance of Certification (MOC) self-assessment participation credit for this issue of **CONTINUUM**, complete the *Self-Assessment Pretest* in one of three ways:

1. Go to [www.aan.com/continuum/cme](http://www.aan.com/continuum/cme) and complete the test online (available to subscribers only), or
2. Read through the questions in the issue and mark your answers on the adjacent tally sheet before entering them online at [www.aan.com/continuum/cme](http://www.aan.com/continuum/cme), or
3. Request a faxable paper scorecard if you do not have computer access or you are a nonsubscriber who has purchased a single issue (send an email to [ContinuumCME@aan.com](mailto:ContinuumCME@aan.com)); however, we encourage all subscribers to use the online system.

Once you have completed the Self-Assessment Pretest, use your results as a guide as you read the issue. To obtain self-assessment CME credits, you must complete the post-reading Multiple-Choice Questions at the end of the issue, along with an issue evaluation. **No self-assessment credit will be awarded for completing the Self-Assessment Pretest alone.**

Upon completion of the Self-Assessment Pretest and post-reading Multiple-Choice Questions, participants may earn up to 12 *AMA PRA Category 1 Credits™* toward ABPN MOC self-assessment (part 2). Self-assessment credits earned will appear on AAN member CME transcripts within 2 business days and may be viewed at [www.aan.com/education/certificate](http://www.aan.com/education/certificate). AAN nonmember subscribers may request a transcript of credits earned by contacting AAN Member Services at [memberservices@aan.com](mailto:memberservices@aan.com) or (800) 879-1960.

*AMA PRA Category 1 Credits* not designated for self-assessment may be obtained by completing **only** the 40 post-reading Multiple-Choice Questions (up to 10) and/or the Patient Management Problem (up to 2) found at the end of the issue.

Participants have up to 3 years from the date of publication to earn CME credits. No CME will be awarded for the Sleep Disorders issue after February 29, 2016.

The ABPN has reviewed *Continuum: Lifelong Learning in Neurology* and has approved this product as part of a comprehensive lifelong learning and self-assessment program, which is mandated by the American Board of Medical Specialties as a necessary component of maintenance of certification.

**Sleep Disorders**

VOLUME 19 ■ NUMBER 1 ■ FEBRUARY 2013

**Tally Sheet**

**SELF-ASSESSMENT PRETEST RESPONSES**

After completing this tally sheet, please enter your answers online at [www.aan.com/continuum/cme](http://www.aan.com/continuum/cme).
